

QUESTIONNAIRE

EBiSC – European Bank for induced pluripotent Stem Cells

Dear Researcher,

EBiSC is interested to know what type of iPS cell lines you would like to see in the EBiSC bank.

Q1. What area(s) of stem cell biology or regenerative medicine do you work in?

Q2. What would you like to see becoming available through EBiSC (controls, disease backgrounds and even specific gene mutations)?

Thank you for your suggestions !

Name	
Institute	
Country	
Email	

Q3. Do you have iPS cell lines that you might want to deposit with EBiSC?

Yes No

Please tick if you would like to be informed when iPSC lines matching your interests are available in the EBiSC catalogue

Thank you for scanning & sending the completed questionnaire to ebisc@eurtd.com.
