Ethical and legal framework

How iPSC lines are deposited into EBiSC

Consent Review

Depositors complete a copy of the Consent Form and send it to EBiSC. Each EBiSC iPSC line is associated with a unique Consent number.

Cell Line Data Capture

Depositors share information on the status, and iPSC lines before placing an order in the EBiSC shopping basket.

Formalise Deposition

Depositors complete the EBiSC Material Deposit Agreement, giving EBiSC the legal right to store and distribute the line(s) on their behalf. "Depositors are acknowledged as the owner of the donor and hiPSC line.

IPSC line distribution

How iPSC lines are purchased from EBiSC

Select your cell line

Step 1: Select cell lines that are available on the EBiSC catalog. The EBiSC catalog is available on the EBiSC website.

Log in to purchase

Step 2: Log in to an existing account or sign up for a new account. EBiSC allows users to create an account to purchase cell lines.

Arrange shipment

Step 3: Arrange for the shipment of the purchased cell lines. EBiSC offers different shipment options and charges for shipping.

Receipt of sample

Step 4: Upon receipt of the sample, check the sample and communicate any issues to EBiSC. EBiSC provides guidance on cell line use.

Purchase agreements

Step 5: Complete the purchase agreement. EBiSC offers various purchase agreements, including commercial and non-commercial arrangements.
