Patient Details:

Patient's Name : **RCI92 P12 WELL 27OCT2014**

Referred From : **Roslin Cells**

Dept. Ref: **B14/6534**

Referred By : **Ewa Guzniczak**

Patient Ref No. : **RCP6247**

Received: **14/11/14**

Clinical Details : **Fixed stem cell suspension for karyology**

Result:

Karyotype: **46,XX**

Comment: **A modal karyotype (in all 20 cells examined) showed a normal female chromosome complement and banding pattern.**

Prepared By:

Authorised By: **KC Master** Report Date: **09/12/14**

HCPC-Registered Clinical Scientist

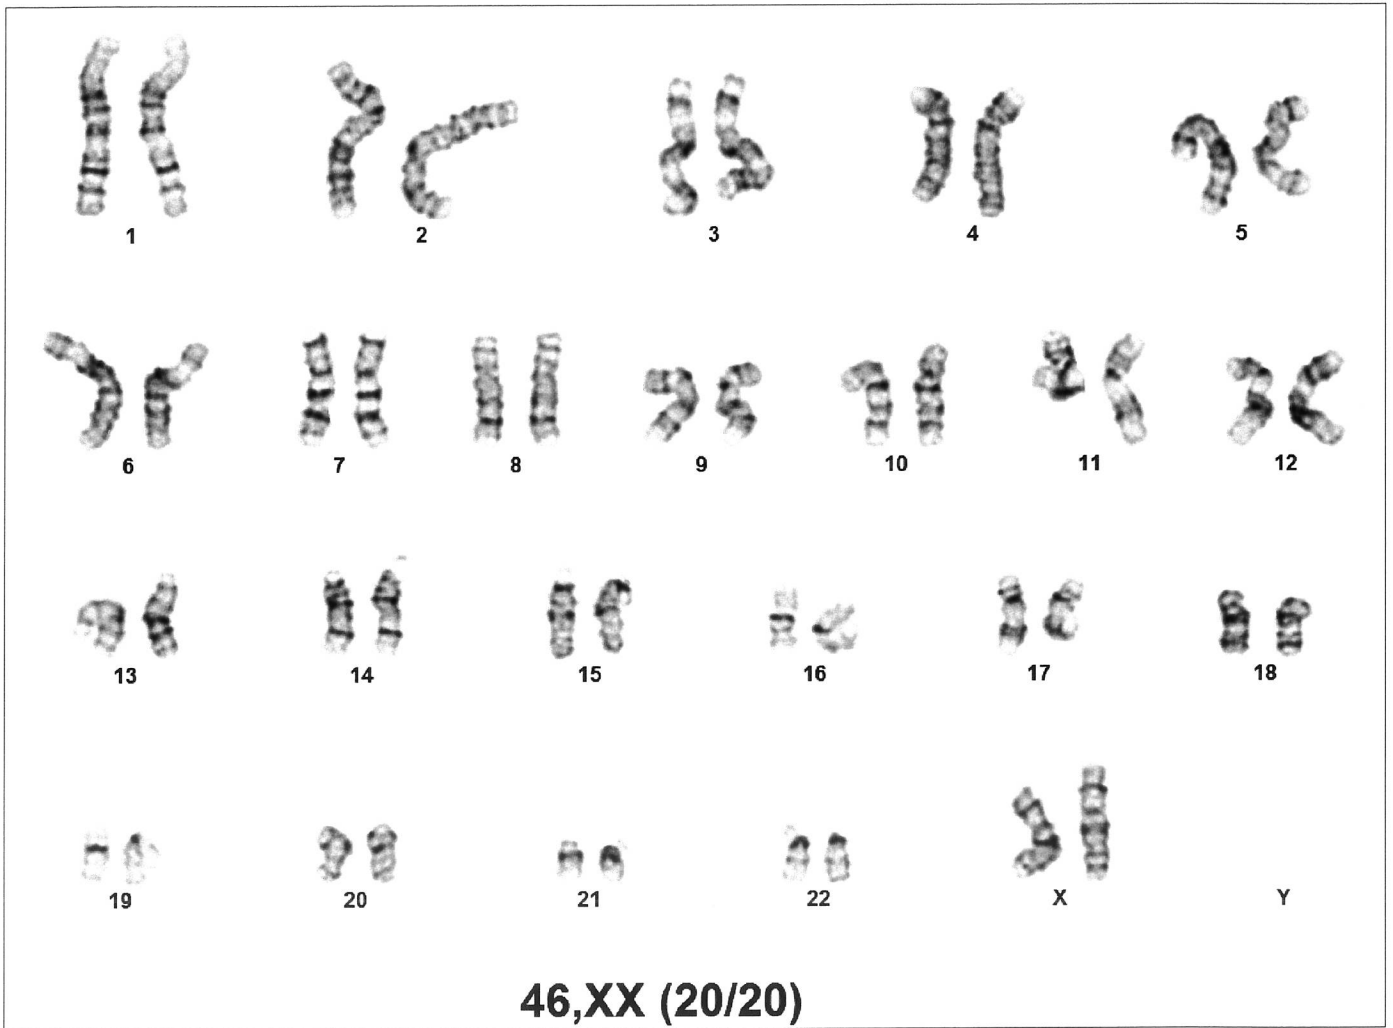

This standard analysis does not necessarily exclude small rearrangements, low level mosaicism, or microdeletions.
